Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

St. Clair-Tisdall s The Conversion of Armenia to the Christian Faith looks at the process that brought about the crucial religious changes in the modern country. From the preface: DURING the last few years the world has witnessed a terrible spectacle. We have seen a Christian nation in Asia, of the same Aryan blood as ourselves, suffering the most cruel wrongs at the hands of the Turks and their confederates, the Kurds. We have seen members of this Christian nation, men and women and little children, massacred in tens of thousands, and our illustrated papers have presented us with photographic views of some of these terrible scenes. We have read of large numbers dying a martyr s death rather than embrace Islam, and have heard of those who had less courage and faith being driven at the point of the sword to repeat the creed of the Arabian Antichrist. We have beheld something more strange still - the Christian nations of Europe hampered in their endeavours to put a stop to this state of things by their mutual distrust and jealousy of one another. And thus, as we draw near the end of the nineteenth century, our newspapers are quietly discussing the question whether or not Turkey will succeed in exterminating the whole Christian population of her Armenian provinces, or in forcing upon them, at the sword s point, an apostasy worse than death. It may not be amiss, therefore, at the present juncture to inquire into the early history of the Armenian nation, and more particularly to study the conversion of Armenia to the Christian faith. The writer of the following pages began this investigation for...
