Bordighera Press, United States, 2013. Paperback. Book Condition: New. New.. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Poetry. LGBT Studies. An urban songline of New York. From the author of the memoir *L is for Lion*, comes a panegyric of the geology of Manhattan. These poems glitter. Manhattan schist is rendered as a template for the skyline and characters of New York. Grit and stardust collide in this debut collection of poetry and song. The book begins with the bright reflective quality of Mica and ends with the gentrified vision of the city where New York is nine millions doors, and you have not one key. In between are stories of urban icons: iceman, fish peddler, heart butcher, meter maid, San Gennaro, the magic of grandmothers hands, the vision of the oldest living tree in the city, immigrants who fell out windows and died in explosions, Italian phrases that link the essence of the sun to a rose to a heart, crushed tomatoes, sunsets, supermarkets, the glory of hot tar, the lessons of marines and lesbians. You will learn history and geology, Italian American heroes, and spiritual imperatives, through the syllables of this one poet s soul.
