## PROCEEDINGS OF THE CONFERENCE ON CATEGORICAL ALGEBRA: LA JOLLA 1965

Springer. Paperback. Book Condition: New. Paperback. 576 pages. Dimensions: 9.2in. x 6.1in. x 1.3in. This volume contains the articles contributed to the Conference on Categorical Algebra, held June 7-12, 1965, at the San Diego campus of the University of California under the sponsorship of the United States Air Force Office of Scientific Research. Of the thirty-seven mathematicians, who were present seventeen presented their papers in the form of lectures. In addition, this volume contains papers contributed by other attending participants as well as by those who, after having planned to attend, were unable to do so. The editors hope to have achieved a representative, if incomplete, coverage of the present activities in Categorical Algebra within the United States by bringing together this group of mathematicians and by soliciting the articles contained in this volume. They also hope that these Proceedings indicate the trend of research in Categorical Algebra in this country. In conclusion, the editors wish to thank the participants and contributors to these Proceedings for their continuous cooperation and encouragement. Our thanks are also due to the Springer-Verlag for publishing these Proceedings in a surprisingly short time after receiving the manuscripts. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
