And you are right, for Touggourt had not yet been reached by that ever-spreading network of electric wires which enmeshes almost the entire world. In the desert they still relied upon THE WHITE FOLK, UNMISTAEABLV FRENCH A chain of towers, situated at intervals of from twenty to thirty miles, stretches southward from Biskra as far as Wargla, the last garrisoned oasis of the French. In each tower are two huge magic-lanterns, one pointing northward, the other southward. The lenses of these lanterns are provided with shutters, which open and close in response to a key on which the operator plays as on a telegraphic instrument. Thus at night news is flashed across the desert from tower to tower by intermitting rays of light. We climb...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
