

The Actor's Guide to Playing a Character: William Esper Teaches the Meisner Technique

By William Esper, Damon DiMarco

Random House USA Inc, United States, 2014. Paperback. Book Condition: New. 200 x 132 mm. Language: English . Brand New Book. William Esper, one of the most celebrated acting teachers of our time, takes us through his step-by-step approach to the central challenge of advanced acting work: creating and playing a character. Esper's first book, *The Actor's Art and Craft*, earned praise for describing the basics taught in his famous first-year acting class. *The Actor's Guide to Creating a Character* continues the journey. In these pages, co-author Damon DiMarco vividly re-creates Esper's second-year course, again through the experiences of a fictional class. Esper's training builds on Sanford Meisner's legendary exercises, a world-renowned technique that Esper further developed through his long association with Meisner and the decades he has spent training a host of distinguished actors. His approach is flexible enough to apply to any role, helping actors to create characters with truthful and compelling inner lives.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
