### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe. (Derick Brekke)*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Selected Writings of James Hardy Dillard These twenty odd papers have been garnered from magazines, school journals and other periodicals in which they appeared - some within the last year or two and others ten to twenty years ago. Many of them have been reprinted - some of them over and over again. For the first time they are assembled here under one cover. Read one after another these pieces draw a clear outline of the better education as the writer sees it. To him it is a simple matter of the personal contact between teacher and learner - between a man who has vision and scholarship and a boy learning to see and know - with the corollary that when there is no vision the pupils perish. While these papers cover a wide range of subjects there are veins of thought and feeling that run through them all, like threads of silk weaving figures in a fabric. The persuasive appeal for genuineness in contrast with bluff and sham and shoddiness - for accuracy and thoroughness instead of slovenly work and cheap credits - for love of learning itself and not the robes and titles of the learned - for all that is fine in men and books and music and art and conduct - in one way or another this note is sounded in all these papers. It recurs like theme phrases in a symphony - ringing in one s ears long after the players have gone. Emerson writing about William Pell said that anybody listening to Pell in conversation or hearing him plead a cause in parliament would come away with the feeling...
